At **Can Bordoy**, we know that pets are part of the family, and their presence should not be incompatible with the enjoyment of our facilities.

For this reason, we are delighted to **welcome guests who wish to stay with their pets.**

### General conditions

- Please **consult our pet accommodation prices** prior to your stay.
- Can Bordoy admits **one pet up to 25 kg per Suite**, always subject to prior request and availability.

### Rules for a pleasant stay

We kindly ask pet owners to respect the comfort and wellbeing of all our guests by following these simple guidelines:

1. **Arrival and departure:** Pets must be kept on a leash, in arms, or in a carrier when arriving or leaving the hotel.
2. **Common areas:** Pets are not allowed to remain in the hotel's common areas without supervision.
3. **In-room stay:** Pets should **never be left alone in the Suite**. If it is necessary to leave temporarily, the pet must stay inside its carrier, and your Butler must be informed.
4. **Furniture:** Pets are not allowed on the bed, sofa, or armchairs. If your pet is used to doing so, please cover the furniture with your own protective cloth.
5. **Hygiene:** Please do not use the hotel towels to clean your pet's paws after walks.
6. **Garden:** Pets must always be kept on a leash in the garden.
7. **Responsibility:** Owners are responsible for any damages or extra cleaning required in the Suite.
8. **Additional charges:** May apply in case of disorder, furniture damage, or hygiene issues.
9. **Respect for others:** If another guest complains about barking, noise, or inappropriate behavior, the hotel reserves the right to request that the pet be removed from the property.
